THE INDIAN FMCG BOOM

In several FMCG product and market categories, the Indian consumer market could account for more than 20% of global revenue's growth for MNCs in the next decade. In other words, the future of many FMCG MNCs depends on their ability to succeed in India.

A younger population, a growing and aspiring middle-class, rising disposable incomes and increasing rural wealth has made India one of the world's most sought-after FMCG consumer markets for Multinationals.

Green Food Supplement

Ultimate Maxima Green : A Super Nutritional Food Supplement

Green Food Supplements are natural, wholesome sources of plants, vegetables and other green foods to deliver excellent health benefits. Imagine eating a single food that has everything you need for good health, Without side effects! Super foods are those special foods in nature that are rich in Nutrition, vitamins, minerals, enzymes and superior sources of antioxidants packed into one food source.

What are Green Super-foods ?

Green Super-foods (Green Super Foods, Greens) are a category of phytonutrient-rich nutritional products derived from green plants, algae and cereal grasses. Green superfoods contain high concentrations of natural chlorophyll and are harvested seasonally to take advantage of high potencies of naturally occurring vitamins, minerals, amino acids and enzymes. Green whole foods are nutritionally vital and have been an integral part of our ecological food chain since the days of Hippocrates (431 BC).

Why should I take Green Superfoods ?

Green Superfoods are a natural source of vitamins, minerals, amino acids, enzymes, plant sterols and other nutritional constituents. There is no better natural source of vitamins than green superfoods. They are safe, effective and the perfect adjunct to your daily diet.

Each greenfood offers some unique benefits. : Superfoods are multi taskers - full of nutrients, low in calories.

In the present day, to increase the yield, farmers resort to chemical fertilizers which depletes the nutrients from the soil. As a result the food we eat lack in nutrition which needs to be compensated in our daily diet. Certain food packs a strong punch of valuable nutrients and antioxidants that improves our overall health and helps fight off diseases in our busy stressful life.

Superfoods are Ancient Natural Foods, Very high in Nutrients and Minerals, Are Super Antioxidants. Scientific research is now combining with traditional knowledge and showing that regular consumption of Superfoods, can make significant positive improvement in our overall health.

Why we use those ingredients in Regular Health Benefits

Why we used Alfalfa ?

Alfalfa contains beneficial phyto-nutrients, which helps to promote the nutritional wellness. Alfalfa is rich in source of Vitamins, minerals, Amino acids, Proteins and other Essentials. Formulation prepared from the leaf of Alfalfa are very good substitutes for the vitamins & minerals supplements & nutrients that play a very important role in the strength and growth of our bones and in the maintenance of a healthy body. Alfalfa is often used to enhance health. Alfalfa is commonly used to treat Arthritis, Diabetes, Digestive Problems, Ulcers, Kidney and Bladder issues and Asthma.

Why we used Spirulina ?

Spirulina are single celled organisms that survive by producing their energy through photosynthesis. These algae are in the class of cyano-bacteria because cyano is Greek for blue. They contain chlorophyll (green color) phyco-cyanins & antho-cyanins (blue color) which blend to give them the characteristic blue-green color. It is rich in vitamins, minerals, proteins, anti oxidants & chlorophyll. The chlorophyll in Spirulina helps to eliminate toxins from the body and cleanses the kidneys, blood & liver. It helps control dietary craving & acts as a mild appetite suppressant. Spirulina is widely used for weight control.

Great Salt Lake Minerals uses the natural richness of the Great Salt Lake to refine the vital nutrients that crops, orchards, ornamentals and turf need for health and growth. Using a natural solar evaporation process, GSLM is the largest producer of Sulfate of Potash (SOP) in North America, and the producer of Chlори-Mag®, a magnesium chloride source. GSLM is an indispensable resource of fertility knowledge for growers dedicated to improving the health of their operation.

CMD is the Complete source of Supplementation in 72 ionically Trace [macro & micro] minerals, such as Magnesium, Calcium, Potassium Chloride, Sulphur are macro type minerals while Chromium, Iodine, Manganese, Selenium, Zinc are micro type minerals.

**EVALUATION OF CMD IS GENERALLY
RECOGNIZED AS SAFE [GRAS]**

What is GRAS ?

GRAS is a designation set forth by USFDA, that can be applied to substances making it legal for those substances to then be used in food & beverages. The FDA has set a very specific procedures for when, where and how GRAS status can be achieved. GRAS is the Acronym for the phrase Generally Recognized As Safe.

CMD is Generally Recognized As Safe with No limitations as to how they can be used in Food and Beverages, other than the Good Manufacturing Practices [GMP].

Salt of the Earth

With the depletion of our topsoil by modern agricultural practices, many of the minerals and trace elements we need for optimal body functioning are no longer present in our foods. Here are several excellent sources of minerals which we have found highly beneficial.

THE INDIAN FMCG BOOM

In several FMCG product and market categories, the Indian consumer market could account for more than 20% of global revenue's growth for MNCs in the next decade. In other words, the future of many FMCG MNCs depends on their ability to succeed in India.

A younger population, a growing and aspiring middle-class, rising disposable incomes and increasing rural wealth has made India one of the world's most sought-after FMCG consumer markets for Multinationals.

Testimonials of Product

Name : Shashi Kiran

CAF ID : DUI9100000516

Place : Ghaziabad [UP]

Products : Herbal Face Pack & Cream

Time : Use 1 – 2 Months Regular

Experience : Result Oriented Product

Cost : Face Cream [Rs.147], Pack [Rs.247]

Quote : I Personally used many Creams, Face-Packs & Face-Washes Regularly since last 8-10 years, from Retail Market Cosmetic Products as well as Direct Selling Network Industry Cosmetic Products. But when i used Herbal-hills Products Purchased from Dreamz Ultimate, those are very powerful and Marvelous Result Oriented. First i used those Face-Pack & Face-Cream for one month but presently i am regular user from 4 months. Those creams are very much Result Oriented for me and just Reduced the Creating of Pimples, also removes Dark Circles from my Faces and under Eyes, also those Creams are very soft and Natural not just like as oily those available in Markets. Also those products are Very Cost Effective to be Reach in Every INDIAN Women. I Suggest to Every One Use IT ONCE.
